Forward-Looking Statements and Information:

Certain statements contained in this release may constitute “forward-looking statements” within the meaning of federal securities laws. All statements in this release other than those relating to our historical information or current condition are forward-looking statements. For example, any statements regarding our future financial performance (including, but not limited to, CCFI’s ability to execute its long-term strategy and to manage operational efficiencies across its national footprint), our business strategy, and expected developments in our industry are forward-looking statements. Although we believe that the current views and expectations reflected in these forward-looking statements are reasonable, those views and expectations and the related statements are inherently subject to risks, uncertainties, and other factors, many of which are not under our control and may not even be predictable. Therefore, actual results could differ materially from our expectations as of today and any future results, performance, or achievements expressed directly or impliedly by the forward-looking statements.
